Dear, Colleagues

You are cordially invited to participate in this international diabetic foot meeting.

The meeting aims to provide updated information regarding the prevention and management of the diabetic foot in Africa.

A group of well-known international speaker specialist in the field of diabetic foot will present state of the art lectures. Beside lectures there will be workshops focusing on useful information for daily clinical practice adapted to African region.

We would also like to take this opportunity to welcome to the beautiful Cairo City; the capital of Egypt and the largest city in the Middle East and Africa, founded in CE 969. Home to one of the oldest and richest civilizations in the world, Cairo is unique with its ancient monuments and historical landmarks that date back thousands of years, from the Great Pyramids to Al Azhar University; the second oldest institution of higher learning and the Hanging Church; one of the oldest churches that dates to the 3rd century. We wish you a rewarding meeting with interesting networking and an opportunity to visit an exciting city.

On behalf of the local organizing committee,
we look forward to seeing you in Cairo
